Dear Heather:

Thank you so much for your willingness to share your insight and expertise with UNCP students through the Professional and Career Development Institute on February 24th. We know that your involvement added a great deal to the experience of the attendees and for that we are very grateful.

As you know, this was the first time The Career Center had sponsored an Institute such as this. We are thrilled to let you know that the response has been overwhelmingly positive. We have heard from students, speakers, and other participants that the event was very successful in providing specific, practical advice as well as overall guidance related to the job search and to achieving success in the professional world. As a result, plans are already underway to host a Professional and Career Development Institute again in the fall of 2010.

Thank you, again, for taking the time to participate in the Professional and Career Development Institute. Your involvement was a vital part of the success of the event!

Sincerely,

Kathleen Frank, M.A.Ed.
Coordinator, Professional and
Career Development Institute
Career Development Assistant

Denisha Sanders, Ph.D.
Director of Career Services
